(Effective 01/01/2022)

### **All General Rules Apply**

1. Registration of member owned vehicle/vehicles and Certificate of Insurance must be in the member's name and the listed address must be the member's billing address.
2. Two free vehicle stickers per each member's lot. The cost for additional vehicle stickers for children living at your billing address are shown on the last page of this document. If you own more than one lot, then up to two more vehicle stickers are allowed as long as all vehicles are registered and insured in the member's name and at your billing address. For children not living at your billing address, you must purchase daily vehicle passes as shown on the last page of this document.
3. Vehicle stickers must be displayed on the left side below any tint on the driver's side windshield. The backing must be completely removed, and must be totally affixed to the windshield, no taping. License plate on vehicle must match the vehicle registered in the office records. (Effective 01/01/2024)
4. All member owned vehicles on Common Property must display a current sticker no later than June 1. (Effective 01/01/2024)
5. Guest vehicles must display current guest pass on rear view mirror. (Effective 01/01/2021)
6.
  - a. No parking or obstructing any fire hydrant within the entire Lake.
  - b. Should any type of motorized vehicle, operated by any member, fall into the Lake while it is frozen, they will be subject to a violation. Non-member owned vehicles would be subject to a trespassing violation that will be enforced by county law enforcement officials. All violators will be responsible for any property damage, clean-up and any other costs incurred. (Effective 01/01/2021)
