This form must be completed and submitted to ACC for review. A \$25.00 fee must be submitted with the application before ACC approval can be issued. There must be an adequate water source available, spigot on lot, or hose from neighboring lot, to control and extinguish any burning done while clearing the lot. You must attend a fire at all times since an unattended fire will result in violations.

ACC approval must be displayed in a waterproof cover at the job site. Having no visible ACC Approval Form will be a violation and a stop work order will be issued.
